▼ About Me

I'm a B-Tech, IT student with a strong passion for frontend development, machine learning, and AI. I'm driven by a curiosity to explore and learn about cutting-edge technologies that shape our world. I'm particularly interested in crafting engaging user experiences through frontend development and exploring the limitless potential of machine learning and AI. With a solid foundation in Information Technology, I'm committed to continuous learning and growth to contribute meaningfully to innovative projects in the tech industry.
